This will be our third season hosting the Head Coach of the Skyliners Synchronized Skating Organization, Josh Babb. A National and International Coach and Choreographer, this is a wonderful opportunity to work with Josh in a small group environment. There will also be a special guest appearance by Adam Blake. This 3 day clinic focuses on choreography, edges, skating, turns and synchronized elements for Juvenile through Senior Team skaters. Skaters will train on ice with Josh each day and finish with off ice dance/flexibility/choreography and presentation class with National and International Dance, Performance and Choreography Coach Paula Wagener. Saturday and Sunday will be shorter days to facilitate local park visits, and return travel.
